## ABOUT OCN

The Orthodox Christian Network is an official agency of the Assembly of Bishops, originally commissioned by SCOBA to create a national, sustainable, and effective media witness for Orthodox Christianity throughout North America. In a constantly changing media landscape, OCN delivers positive, relevant Orthodox content via multiple delivery platforms, reaching today's internet users via broadcast, podcast, video, blogging, and webinar content. OCN reaches millions of Orthodox Christians around the world. OCN is a registered 501(c)3 non-profit organization.

# OUTREACH

100% of your donations to the OCN go towards mission, not overhead, allowing us to minister to millions of Orthodox Christians around the world.

OCN offers different types of programming in support of its mission and vision. It is our hope that the variety of approaches this permits will increase our effectiveness by ensuring that we reach the greatest number of people possible. These types of programming include, teaching programs, interviews with official representatives of the Orthodox faith and programs designed to provide information that will increase our ability to present our Orthodox faith in the context of the wider, secular world.

Here's a short list:

- + Digital Disciples Scholarship
- + This Week in Orthodoxy
- + LIVE Bible Study
- + Christ in You
- + OCN Now
- + PISTEVO - Iconography and Saints
- + Come Recieve the Light
- + OCN Now Radio
- + Coverage of Religious Persecution
- + sparkOCN Mobile App

The sparkOCN App enables users through collective prayer and collective action to support persecuted Christians globally. Spark also includes a full prayer book application, as well as an integrated content feed from OCN. The prayer book can be used daily to manage your prayer life, while the OCN content feed provides users access to OCN content in the palm of their hand keeping them aware of those around the world in desperate need of prayer and support and offering the ability to share it directly from the app. SparkOCN also includes an Orthodox Calendar with feasts and fasting days marked, a system to manage and send prayer requests.
