ANNUAL CONFERENCE

“ON PAIN AND SUFFERING”

NOVEMBER 3 – 5, 2016

**Holy Cross Greek Orthodox School of Theology
Brookline, MA**

OCAMPR, an international, pan-Orthodox organization endorsed by the Assembly of Canonical Orthodox Bishops of the United States of America, welcomes 20-minute paper presentations and case studies on topics related to Orthodoxy and healing to be presented at our Annual Conference. This year's Conference will focus on caregivers as confessors and healers in treatment and recovery. The Annual Conference offers a unique opportunity for Orthodox clergy, theologians, and healthcare professionals to come together for fellowship and to discuss how the Orthodox healing traditions interface with contemporary theories and practices of care. Submittals traditionally include current work on theories and practices of Orthodox care by clergy, physicians, psychologists and many other types of healthcare practitioners and researchers. Submissions are encouraged on any topic related to the mission of OCAMPR, and particularly topics on the theme of the Annual Conference. All presentations will be made available online and considered for publication in the Conference proceedings.

Submit all proposals to Dr. Brenda O'Reilly at ocamprinfo@gmail.com no later than August 1, 2016.

If you have not already done so, please go to our website at www.ocampr.org to become a member of OCAMPR and/or renew your dues for 2016. Thank you for supporting our mission!
